Thanks for the quick review Ed.

Carissa and Zachary – please send the clean version attached to Jonah for AA clearance. Once this response is cleared, we can use the same version for our template direct response letters. Thanks for pulling this together.

Some edits for consideration. Conforming edits should be made to the DX as well. Let's wait to see if Michal has any changes to the letter before sending out the DX letters. OK?

Mike and Ed,

CSB prepared the attached response to Cong. Johnson regarding her incoming letter (also attached) on chlorpyrifos. CSB also prepared the attached response to the citizen letter on

chlorpyrifos. Both letters provide our general status response and were cleared by OGC and Anna Lowit. Please let us know if you have any comments or edits. Thanks.

Hello, Darlene,

For OPP IO review, attached are two draft responses regarding chlorpyrifos. One is a congressional that will be teed up for Michal's signature and the other is a direct reply.

Although I don't flag direct replies for OPP IO, given the sensitivity of the subject, I want to make sure we can send the response. If we have the ok, I have 3-4 additional chlorpyrifos letters that are direct reply and will use this response as a template.

Thank you,

Carissa
